iLIGHT

IPL - HAIR REMOVAL

Safe | Simple | Permanent | Pain-free

Harnessing Intense Pulsed Light (IPL) technology, iLIGHT is a fast and pain free solution to hair removal for the face and body*. The innovative IPL technology works by gently heating the hair follicle, focusing light energy at the root, stunning the follicle and breaking the cycle of growth. Simple enough to use at home the advanced safe and effective ProPulse technology is clinically proven and dermatologist recommended and allows you to be permanently hair free after just three treatments**.

100% satisfied or your money back!

If you are not satisfied with this product we will reimburse the original purchase price. We need the product, the original packaging and the original sales receipt for the reimbursement.

This offer is valid for 100 days from the original purchase date for purchases made up to and including 28.02.17.
