IMPORTANT SAFEGUARDS

WARNING: When the ROTATING AIR STYLER is used in a bathroom, unplug it after use since the proximity of water presents a hazard even when the ROTATING AIR STYLER is switched off.

When using electrical appliances, especially when children are present, basic safety precautions should always be followed, including the following:

**READ ALL INSTRUCTIONS BEFORE USING
KEEP AWAY FROM WATER**

DANGER: As with most electrical appliances, electrical parts are electrically live even when the switch is off.

To reduce the risk of death by electric shock:

- Always unplug it immediately after using.
- Do not place or store an appliance where it can fall or be pulled into a bath or sink.
- Do not use while bathing.
- Do not place or drop into water or other liquid.
- If an appliance falls into water, “unplug it” immediately. Do not reach into the water.

WARNING: TO REDUCE THE RISK OF BURNS, ELECTROCUTION, AND FIRE, OR INJURY TO PERSONS.

- The appliance should never be left unattended when plugged in to a power outlet.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.

Keep the appliance and the power cord away from the edge of table or countertops and out of reach of children and persons with reduced physical, sensory or mental capabilities.

- This appliance is not a toy. Children shall be supervised to ensure they do not play with the appliance.
- Cleaning and user maintenance shall not be made by children without supervision.

- Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by Remington.
- Never operate this appliance if it has a damaged cord or plug, if it is not working correctly, if it has been dropped or damaged, or dropped into water. If the supply cord or plug of this rotating air brush is damaged it must only be replaced by the manufacturer, its service agents or a qualified electrical tradesperson to avoid a hazard.
- Keep the cord away from heated surfaces.
- Do not use on people who are asleep.
- Never drop or insert any object into any opening of this appliance.
- Do not use outdoors or where aerosol (spray) products are being used or where oxygen is being administered.
- Do not direct hot air towards the eyes or other heat sensitive areas.
- Attachments, where provided, may be hot during and after use. Allow them to cool before handling.
- When using the appliance, keep your hair away from the air inlet grille. Do not let your hair get drawn into the appliance.
- Do not place the heated rotating air styler on any soft surface such as a bed, carpet or a towel. Place only on a hard, flat, heat resistant surface.

For additional protection, the installation of a residual current device (RCD) with a rated residual operating current not exceeding 30mA is advisable in the electrical circuit supplying the bathroom. Ask your electrical contractor for advice.

SAVE THESE INSTRUCTIONS

**AS8810AU KERATIN & ARGAN OIL NOURISH
ROTATING AIR STYLER
USE AND CARE INSTRUCTION MANUAL**

Thank you for purchasing your Remington® Keratin & Argan Oil Nourish Rotating Air Styler. The Advanced Ceramic coated barrels are infused with Keratin & Argan Oil for healthy, shiny voluminous bouncy hair.

KEY PARTS

- | | |
|-------------------------------------|--|
| 1. 50mm thermal soft bristle brush | 5. 1000 watt power handle |
| 2. 40mm thermal mixed bristle brush | 6. On/off, heat setting & cool shot switch |
| 3. Attachment locking ring | 7. Air inlet grille |
| 4. 2 way rotation button | 8. Swivel cord |
| | 9. Hang loop |

BASIC HAIR CARE INSTRUCTIONS

The Keratin & Argan Oil Nourish Rotating Air Styler is designed to nourish and create healthy, shiny voluminous bouncy hair whilst styling.

- Wash and condition your hair as normal.
- Squeeze out excess moisture with a towel and comb through.
- Select your desired brush attachment before you turn on the appliance.

Note: The Keratin & Argan Oil Nourish Rotating Air Styler is not suitable for use on synthetic wigs or hair extensions.

HEAT SETTINGS

- '0' Off
- '1' Low heat
- '2' High heat
- 'C' Cool shoot

TO SECURE ATTACHMENT TO THE HANDLE

- Align the arrow symbols (▼) on the attachment locking ring with the centre of the channels around the edges of the power handle locking ring and push together.
- Turn the attachment locking firmly clockwise in the direction of the lock arrow (► ) to secure the power handle and the attachment together.
- Dry length and roots partially prior to styling.

TIP: For best results aim for 80% dry hair.

- Section the hair prior to styling. Style the lower layers first.
- Plug the product into the mains power supply.
- Start styling on lower temperature first. Select the appropriate temperature for your hair type using the temperature setting switch on the base of the styler.
- To increase the temperature turn the temperature setting switch to position '1' for low heat, '2' for high heat and position 'C' for cool shoot setting.

Note: The brush attachments will only start rotating when the temperature setting has been selected.

VOLUME AND SHAPE USING THE BRUSHES

- The 50mm mixed bristle brush adds volume to fullness - ideal for mid to long hair.
- The 40mm soft bristle brush adds root volume, creates polished ends and loose curls – ideal for shorter finer hair.
- To use the rotating function, press the right arrow (▶) on the 2-way rotation button for the brush to rotate clockwise.
- Wrap the bottom of the hair around the brush.
- Press the left arrow on the 2-way rotation button (◀) to wind hair around the brush, stopping at the roots.
- Press the opposite arrow on the 2-way rotation button to unwind.
- Let the attachments cool before removing.

TO REMOVE ATTACHMENTS

- After use, turn the appliance off by turning temperature setting switch to the far left to '0' position and unplug.
- To remove attachments, turn the attachment locking ring anti-clockwise in the direction of the unlock arrow (◀ ◻) and pull the attachment away from the main housing.
- Let the attachments cool before removing.

WARNING: Do not use this appliance near bathtubs, showers, basins or other vessels containing water.

As with all electrical appliances, the power cord must be regularly checked for wear and tear. Immediately cease using this product if the power cord shows any signs of damage.

This product conforms to radio frequency interference requirements.
Any product purchased and used commercially carries a limited 90 Day Warranty.

Spectrum Brands Australia Pty Ltd and Spectrum Brands New Zealand Limited

WARRANTY AGAINST DEFECTS

In this warranty:

Australian Consumer Law means the Australian consumer law set out in Schedule 2 to the Competition and Consumer Act 2010;

CGA means the New Zealand Consumer Guarantees Act 1993;

Goods means the product or equipment which was accompanied by this warranty and purchased in Australia or New Zealand, as the case may be;

Manufacturer, We or us means:

1. for Goods purchased in Australia, Spectrum Brands Australia Pty Ltd ACN, 007 070 573; or
2. for Goods purchased in New Zealand, Spectrum Brands New Zealand Limited, as the case may be, contact details as set out at the end of this warranty;

Supplier means the authorised distributor or retailer of the Goods that sold you the Goods in Australia or in New Zealand; and

You means you, the original end-user purchaser of the Goods.

1. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law, or the CGA. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
2. The benefits provided by this Warranty are in addition to all other rights and remedies in respect of the Goods which the consumer has under either the Australian Consumer Law or the CGA. The original purchaser of the Goods is provided with the following Warranty subject to the Warranty Conditions:
3. We warrant the Goods for all parts defective in workmanship or materials for the period of three (3) years from the date of purchase (**Warranty Period**). If the Goods prove defective within the Warranty Period by reason of improper workmanship or material, we may, at our own discretion, repair or replace the Goods without charge.

Warranty Conditions

4. The Goods must be used in accordance with the manufacturer's instructions. This Warranty does not apply should the defect in or failure of the Goods be attributable to misuse, abuse, accident or non-observance of manufacturer's instructions on the part of the user. As far as the law permits, the manufacturer does not accept liability for any direct or consequential loss, damage or other expense caused by or arising out of any failure to use the Goods in accordance with the manufacturer's instructions.
5. Consumable parts (such as shaver heads, cutters and foils) of the Goods are included under this Warranty only where there is a defect in workmanship or materials used.
6. The warranty granted under clause 3 is limited to repair or replacement only.
7. Any parts of the Goods replaced during repairs or any product replaced remain the property of the manufacturer. In the event of the Goods being replaced during the Warranty Period, the warranty on the replacement Goods will expire on the same date as for the Warranty Period on the original Goods which are replaced.

8. In order to claim under the warranty granted under clause 3 you must:
 - (a) Retain this warranty with your receipt/proof of purchase; and
 - (b) Return the Goods to us at the relevant address below or to the Supplier by prepaid freight within the Warranty Period accompanied with (i) the legible and unmodified original proof of purchase, which clearly indicates the name and address of the Supplier, the date and place of purchase, the product name or other product serial number and (ii) this warranty.
9. This warranty is immediately void if:
 - (a) Any serial number or appliance plate is removed or defaced;
 - (b) The Goods have been serviced or otherwise repaired by a person not authorised to do so by us or where non approved replaced parts are used.
10. The Goods are designed for domestic use only. A limited 90-day Warranty applies to any industrial or commercial use of the Goods. The Goods must be connected to the electrical voltage requirements as specified in the ratings label located on the Goods.
11. This warranty does not cover the cost of claiming under the warranty or transport of the Goods to and from the Supplier or us.
12. This warranty is only valid and enforceable in Australia against Spectrum Brands Australia Pty Ltd and in New Zealand against Spectrum Brands New Zealand Limited.

Contact us or the Supplier for further details.
