IMPORTANT SAFEGUARDS

- **Warning:** When the appliance is used in a bathroom, unplug it after use since the proximity of water presents a hazard even when the appliance is switched off.
- When using electrical appliances, especially when children are present, basic safety precautions should always be followed, including the following:
- **READ ALL INSTRUCTIONS BEFORE USING**
- **KEEP AWAY FROM WATER**
- **DANGER – As with most electrical appliances, electrical parts are electrically live even when the switch is off.**

To reduce the risk of death by electric shock:

- Always unplug it immediately after using.
- Do not place or store an appliance where it can fall or be pulled into a bath or sink.

WARNING: Do not use this appliance near bathtubs, showers, basins or other vessels containing water.

- Do not place or drop into water or other liquid.
- If an appliance falls into water, “unplug it” immediately. Do not reach into the water.

For additional protection, the installation of a residual current device (RCD) with a rated residual operating current not exceeding 30mA is advisable in the electrical circuit supplying the bathroom. Ask your electrical contractor for advice.

WARNING – TO REDUCE THE RISK OF BURNS, ELECTROCUTION, AND FIRE, OR INJURY TO PERSONS.

- An appliance should never be left unattended when plugged in to a power outlet.
- The appliance must be switched off at all times other than when actually being used to dry hair.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given close supervision or instruction concerning use of the appliance by a person responsible for their safety.

- This appliance is not a toy.
- Children should be supervised to ensure they do not play with the appliance.
- Cleaning and user maintenance shall not be made by children without supervision.
- Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by Remington.
- If the supply cord is damaged, it must be replaced by the manufacturer, its service agents or similarly qualified persons in order to avoid a hazard.
- Never block the air openings of this appliance or place it on a soft surface, such as a bed or couch, where the air openings may become blocked. Keep the air openings free of lint, fluff and hair.
- Do not use on people who are sleeping.
- Never drop or insert any object into any opening of this appliance.
- Do not use outdoors or where aerosol (spray) products are being used or where oxygen is being administered.
- Do not direct hot air towards the eyes or other heat sensitive areas.
- Attachments, where provided, may be hot during and after use. Allow them to cool before handling.
- When using the appliance, keep your hair away from the air inlet grille. Do not let your hair get drawn into the appliance.
- This appliance is not recommended for use on heavily treated/bleached hair, synthetic wigs or hair extensions.

As with all electrical appliances, the power cord must be regularly checked for wear and tear. Immediately cease using this product if the power cord shows any signs of damage.

SAVE THESE INSTRUCTIONS

PARTS

- | | |
|-----------------------------------|------------------------------|
| 1. Advanced ceramic coated plates | 7. Hang loop |
| 2. Air inlet vent | Controls: |
| 3. Air outlet vents | ⏻ On/off button |
| 4. Display | ... Mode select button |
| 5. Hinge lock | Accessories (not shown): |
| 6. Swivel cord | • Heat-resistant styling mat |

ADDITIONAL FEATURES

- Fast heat up—ready to use in 30 seconds.
- Automatic safety shut off – this unit will switch itself off if no button is pressed or it is left on after 60 minutes.

INSTRUCTIONS FOR USE

1. Plug your styler in to the mains power supply.
2. Press the (⏻) button to switch on.
3. Select your styling mode using the mode select button:

Mode	Symbol shown on display
Wet Mode – For use on towel-dried hair. A warm air stream from the air outlets is combined with a low plate temperature. Best for styling wet hair. The styler will produce a fan noise.	
Finishing Mode - Converts your styler into a regular straightener for use on dry hair. The plate temperature will increase to 190°C for smoothing hard-to-style strands and second-day touch-ups. The fan noise will reduce as the air speed decreases.	

4. When the styler is ready to use, and the temperature of the selected mode has been reached, the display will stop flashing.

Ionic Air Technology

- In both Wet Mode and Finishing Mode the air is infused with ionic conditioning technology that distributes millions of ions within the airflow to help eliminate static and lock-in smooth results.

STYLING TIPS

Wet Mode – For use on towel-dried hair

- Towel dry hair well before styling. Do not use on dripping wet hair.
 - For extra protection use a heat protection spray.
 - Section the hair prior to styling. Style the lower layers first.
1. Take a 3-5 cm section of hair and place it between the plates near to the roots, close the plates and hold for a few seconds.

2. Steadily glide down the entire length of the hair without stopping.
 3. If necessary repeat until the section is dry.
 4. Continue to style the next section, again starting close to the roots.
- IMPORTANT:** In use, the area around the air outlet vents can be HOT. Keep fingers and hands away from the vents and direct the vents away from the face, neck and scalp.

Finishing Mode - For use on dry hair

- Before use, ensure the hair is clean, dry and tangle-free.
 - For extra protection use a heat protection spray.
 - Hairsprays contain flammable material - do not use while using this product.
 - Section the hair prior to styling. Style the lower layers first.
1. Take a 3-5 cm section of hair and place it between the plates near to the roots.
 2. Close the plates and steadily glide down the entire length of the hair without stopping.
 3. Repeat this around the head.
 4. Allow the hair to cool before further styling.

CLEANING AND MAINTENANCE

Let the appliance cool down before cleaning and storing away

- Wipe all the surfaces with a damp cloth.
- Don't use harsh or abrasive cleaning agents or solvents.

The plates can be locked together for easy storage:

To lock, push the hinge lock up to the locked position.

To unlock, pull the hinge lock down to the unlocked position

NOTE: Do not heat the unit in the locked position.

DISPOSAL/RECYCLING

Legislation in some localities mandates that e-waste (anything with a plug, battery or cord) is disposed of through controlled recycling facilities and must not be disposed of in general household waste. For more information about recycling of electrical and battery operated appliances, please contact your local council or your local household waste disposal service.

Spectrum Brands Australia Pty Ltd and Spectrum Brands New Zealand Ltd WARRANTY AGAINST DEFECTS

In this warranty:

Australian Consumer Law means the Australian consumer law set out in Schedule 2 to the Competition and Consumer Act 2010;

CGA means the New Zealand Consumer Guarantees Act 1993;

Goods means the product or equipment which was accompanied by this warranty and purchased in Australia or New Zealand, as the case may be;

Manufacturer, We or us means:

1. for Goods purchased in Australia, Spectrum Brands Australia Pty Ltd ABN, 78 007 070 573; or
2. for Goods purchased in New Zealand, Spectrum Brands New Zealand Ltd, as the case may be, contact details as set out at the end of this warranty;

Supplier means the authorised distributor or retailer of the Goods that sold you the Goods in Australia or in New Zealand; and

You means you, the original end-user purchaser of the Goods.

1. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law, or the CGA. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
2. The benefits provided by this Warranty are in addition to all other rights and remedies in respect of the Goods which the consumer has under either the Australian Consumer Law or the CGA. The original purchaser of the Goods is provided with the following Warranty subject to the Warranty Conditions:
3. We warrant the Goods for all parts defective in workmanship or materials for the period of five (5) years from the date of purchase (Warranty Period). If the Goods prove defective within the Warranty Period by reason of improper workmanship or material, we may, at our own discretion, repair or replace the Goods without charge.

Warranty Conditions

4. The Goods must be used in accordance with the manufacturer's instructions. This Warranty does not apply should the defect in or failure of the Goods be attributable to misuse, abuse, accident or non-observance of manufacturer's instructions on the part of the user. As far as the law permits, the manufacturer does not accept liability for any direct or consequential loss, damage or other expense caused by or arising out of any failure to use the Goods in accordance with the manufacturer's instructions.
5. Consumable parts (such as shaver heads, cutters and foils) of the Goods are included under this Warranty only where there is a defect in workmanship or materials used.
6. The warranty granted under clause 3 is limited to repair or replacement only.
7. Any parts of the Goods replaced during repairs or any product replaced remain the property of the manufacturer. In the event of the Goods being replaced during the Warranty Period, the warranty on the replacement Goods will expire on the same date as for the Warranty Period on the original Goods which are replaced.
8. In order to claim under the warranty granted under clause 3 you must:
 - (a) Retain this warranty with your receipt/proof of purchase; and
 - (b) Return the Goods to us at the relevant address below or to the Supplier by prepaid freight within the Warranty Period accompanied with (i) the legible and unmodified original proof of purchase, which clearly indicates the name and address of the Supplier, the date and place of purchase, the product name or other product serial number and (ii) this warranty.
9. This warranty is immediately void if:
 - (a) Any serial number or appliance plate is removed or defaced;
 - (b) The Goods have been serviced or otherwise repaired by a person not authorised to do so by us or where non approved replaced parts are used.
10. The Goods are designed for domestic use only. A limited 90-day Warranty applies to any industrial or commercial use of the Goods. The Goods must be connected to the electrical voltage requirements as specified in the ratings label located on the Goods.
11. This warranty does not cover the cost of claiming under the warranty or transport of the Goods to and from the Supplier or us.
12. This warranty is only valid and enforceable in Australia against Spectrum Brands Australia Pty Ltd and in New Zealand against Spectrum Brands New Zealand Limited.

Contact us or the Supplier for further details.
