Read the instructions, keep them safe, pass them on if you pass the appliance on.
Remove all packaging before use.

IMPORTANT SAFEGUARDS

Follow basic safety precautions, including:

- 1 This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been supervised/instructed and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be done by children unless they are older than 8 and supervised. Keep the appliance and cable out of reach of children under 8 years.
- 2 If you overfill, the kettle may spit boiling water.
- 3 Use the kettle only with the stand supplied (and vice versa).
- 4 If the cable is damaged, it must be replaced by the manufacturer, its service agent, or someone similarly qualified, to avoid hazard.
- ⊗ Don't put the kettle, stand, cable, or plug in any liquid; don't use the kettle in a bathroom, near water, or outdoors.
- 5 Don't use the kettle for any purpose other than heating water.
- 6 Don't operate the appliance if it's damaged or malfunctions.

household use only

FILLING WITH THE HOPPER

- 1 Remove the lid.
- 2 Fill the hopper with the amount of water you need.
- 3 Press the button to release the water into the kettle.
- 4 Jump to point 5.

FILLING WITHOUT THE HOPPER

- 1 Remove the lid.
- 2 Squeeze the catches inwards, to unlock the hopper, and lift it out.
- 3 Fill with at least 1 cup of water, but not above max.
- 4 Squeeze the catches inwards, lower the hopper into the kettle, then release the catches.

| SWITCHING ON

- 5 Put the stand on a stable, level surface.
- 6 Plug the stand into the wall socket.
- 7 Put the kettle on the stand.
- 8 Move the switch to |.

SWITCHING OFF

- 9 When the water boils the kettle will switch off.
- 10 To switch off manually, move the switch to ○.

11 Lifting the kettle off the stand will also switch the kettle off.

GENERAL

12 When you lift the kettle, you may see moisture on the stand. Don't worry – it's the steam used to switch off automatically, which then condenses and escapes via vents under the kettle.

13 You may see some discolouration on the floor of the kettle. Again, don't worry – it's due to the bonding of the element to the kettle floor.

USING WITH INSUFFICIENT WATER

14 This will shorten the life of the element. A boil-dry cut-out will switch the kettle off.

15 You must then remove the kettle from its stand to reset the cut-out.

16 Sit the kettle on the work surface till it's cold.

CARE AND MAINTENANCE

17 Unplug the stand from the wall socket, and let the kettle cool down fully before cleaning.

18 Wipe the kettle, inside and out, with a damp cloth

19 Squeeze the catches inwards, to unlock the hopper, and lift it out.

20 Grip the tab on top of the filter, press down and back, to release it, and lift it out.

21 Rinse the filter under a running tap while brushing with a soft brush.

22 Fit the bottom of the filter into the slot at the bottom of the spout

23 Press the filter towards the spout, to lock it into the top of the spout.

24 Squeeze the catches inwards, lower the hopper into the kettle, then release the catches.

25 Replace the lid.

descale regularly

26 Descale regularly, (at least monthly. Use a descaler suitable for use in plastic products (most products have plastic parts). Follow the instructions on the package of descaler.

 Products returned under guarantee with faults due to scale will be subject to a repair charge.

ENVIRONMENTAL PROTECTION

To avoid environmental and health problems due to hazardous substances in electrical and electronic goods, appliances marked with this symbol mustn't be disposed of with unsorted municipal waste, but recovered, reused, or recycled.

SERVICE

If you ring Customer Service, please have the **Model No.** to hand, as we won't be able to help you without it. It's on the rating plate (usually underneath the product).

The product isn't user-serviceable. If it's not working, read the instructions, check the plug fuse and main fuse/circuit breaker. If it's still not working, consult your retailer.

If that doesn't solve the problem – ring Customer Service – they may be able to offer technical advice.

If they advise you to return the product to us, pack it carefully, include a note with your name, address, day phone number, and what's wrong. If under guarantee, say where and when purchased, and include proof of purchase (till receipt). Send it to:

Customer Service

Spectrum Brands (UK) Ltd

Fir Street, Failsworth, Manchester M35 0HS
